

COLORED BENCHES

Show your Team Spirit with COLOR!

Now! Powder coated benches in your team colors! Powder coating is 100% environmentally friendly and completely dry finishing process. Finely ground particles of pigment and resin are electrostatically charged and sprayed onto the products to be coated. The products are electrically grounded so that the charged particles adhere to them until melted and fused into a solid coating in a curing oven. Hundred's of color combination. Constructed of 10" wide non skid aluminum planks and 2" X 2" galvanized steel legs.

Benches available in the following sizes with or without backs, permanent or surface mount:

**7.5 feet in length,
15 feet in length,
21 feet in length,**
