

COLORED BLEACHERS

Show your Team Spirit with COLOR!

Now! Powder coated bleachers in your team colors! Powder coating is 100% environmentally friendly and completely dry finishing process. Finely ground particles of pigment and resin are electrostatically charged and sprayed onto the products to be coated. The products are electrically grounded so that the charged particles adhere to them until melted and fused into a solid coating in a curing oven. Hundred's of color combination. Please specify colors when ordering. Constructed of 10" wide non skid aluminum planks, 3/16" X 1 1/2" steel angle. *Galvanized after fabrication!*
