

SuitMate Swimsuit Dryer

Swimsuit Dryer:

Suitmate is the perfect solution to wet swimsuits in school, country clubs, YMCA's, YWCA's, health and sports clubs, and in hotels and motels. It eliminates wet suits in lockers that drip, mildew and cause odors and packing problems in travel bags. Because it operates without heat, it is 100% safe for all swimsuit material. Spin dries to remove up to 95% of suit water.

* 10-second operating cycle

* 1 swimsuit per operation

Specifications:

Size: 15" X 15" X 23"

Weight: 55 lbs (Approx)
